GO_Biological_Process_2021
cellular response to type I interferon (GO:0071357)
type I interferon signaling pathway (GO:0060337)
defense response to symbiont (GO:0140546)
cytokine-mediated signaling pathway (GO:0019221)
defense response to virus (GO:0051607)
regulation of type I interferon production (GO:0032479)
response to cytokine (GO:0034097)
response to interferon-alpha (GO:0035455)
RNA processing (GO:0006396)
interferon-gamma-mediated signaling pathway (GO:0060333)
